: Meet with your academic counselor to prepare your graduation plan. List all the courses you must take and pass for each term to complete your degree requirements. If you have electives to complete, but are unsure about your selections, feel free to enter a general title and not a specific course number. For example, if you need an English elective, you could enter "English elective" in the course number field.

m

C : Please understand that federal, state and institutional financial aid programs are designed to allow students to complete the requirements for a single degree with one major. Students exceeding the Maximum Timeframe to receive a degree should not submit a graduation plan in which the intent is to pursue a double major or any minors. This plan should represent the minimum amount of courses required and the sequence required for the student to complete a degree.
